UBEA RULES AND REGULATIONS

The Provo High School Dancesport is recognized by the NDCA. We will abide by rules and regulations governing competitions and championships recognized by the National Dance Council of America, Inc. Some of the NDCA rules that directly apply to amateur competitors, along with additional rules applied by the organizer follow:

1. ALL COMPETITORS AND SPECTATORS must purchase an admission ticket for each day they are attending.
2. No entry may be accepted that does not include any required entry fee. Requests for refunds will only be honored up to the closing date.
3. No couple is exempt from competing in any round. Any couple who fails to appear at the scheduled time for the first round of any event will be disqualified from the event.
4. No person may compete in an age classification lower than their own. A Syllabus couple's age classification eligibility is defined as the year in school at the time of the event. An Open couple's age classification eligibility is defined as the age that they will be during the competition, however, this definition does not allow the younger member of the partnership to dance up two age levels. Specifics are listed below:

Age Category Classification--Syllabus Competitors

Participation in the syllabus events is based upon the current grade in school of the competitor according to the following designations:

- Elementary School = K - 6th Grade
- Junior High School = 7th - 9th Grade
- High School = 10th - 12th Grade

Age Category Classifications--Open Competitors

- Pre-Teen 1. Competitors who are 9 years old and younger. "Pre-Teen 1" competitors may dance up one age classification to the "Pre-Teen 2" category, but only as defined in entry restrictions below. A Pre-Teen 1 competitor may not dance in the Junior age categories.
